Dear TBS Congregant:

It was always our beloved Evie Weinberger's dream for us to establish a Yahrzeit Memorial Wall in our sanctuary to honor the memory of our deceased family members with the dignity and affection they deserve. We realized her dream when our Yahrzeit Memorial Wall was constructed and dedicated in the sanctuary during the High Holy Days, 2008.

The design we chose for our Memorial Wall is a perfect compliment to our synagogue's historical décor. It consists of 4 illuminated brass memorial columns measuring 12½" x 62", each accommodating 30 bronze nameplates measuring 2" x 10". Each nameplate has a push button light which will be illuminated during their Yahrzeit month. The columns are mounted inside the crown molding frames on the entrance wall of the sanctuary.

Ordering a memorial plaque is easy. Simply complete the attached form, and return it with payment in full to the Temple Office att: Laurie Frankino. You will receive confirmation that your order has been received and approval that the submitted information is correct. The order form will also be permanently displayed on our website so you can purchase additional nameplates in the future.

As both a dear friend of Evie's and as the temple's Ritual Chair, I am *deeply* honored to present this opportunity to you and your family.

L'Shalom.
